

### EU Member State MAR information from 1 August 2024 up to and including 31 January 2025

Figure 1 - EU Member State MAR Information\*

\*As reflected on [Booking.com's DSA webpage](#), the MAR information is an estimate and is based on the data available to Booking.com at this time, and the limited guidance in the DSA. This estimate is required to be published under the DSA and should not be used for any other purpose. The methodologies used to estimate average monthly recipients as defined in the DSA require significant judgement and design inputs, are subject to data and other limitations, and inherently are subject to statistical variances and uncertainties. This estimate may be revised as Booking.com refines its approach and in response to the publication of methodology by the European Commission.

\*\*For ease of reference we have grouped under “Other” all other EU Member States where Booking.com MAR estimates represent less than 4% of the total.
